In addition to the Vehicle/Owners details above, you may like to provide some additional insights on your vehicle, such as the prompts provided below, but we ask you to keep the overall written information to the 200 word limit.

Vehicle History: *How did you come to own the vehicle? Did you restore it? When was the restoration finished? Any special details on the vehicle you would like to share, e.g. holds a land speed record, first vehicle imported to Australia, owned by the Prime minister of Australia, Only example remaining in the world, etc.*

The Road to Robe: *What do you like about your vehicle, any special features or significance? What was a major challenge in preparing the vehicle for the National One & Two Cylinder Rally in Robe, if any? What has attracted you to take part in this year's National Rally in Robe? Any other information you would like to share?*

With thanks, the Robe Organising Committee
